

Recitation #1 Chapter 1 - Precalculus Review (Teaching Guide)

Here is a suggested structure for this recitation

Warm up:

- *5 minutes*: Let students think about the question and then bring together for a whole class discussion.

Problem 1:

- *5 minutes*: Have different groups do each part.
- *5 minutes*: Let a student from each group present.

Problem 2:

- *5 minutes*: Do part a as a whole class, reminding them about completing the square.
- *5 minutes*: Have different groups do parts b and c.
- *5 minutes*: Let a student from each group present.

Problem 3:

- *3 minutes*: Have different groups do each part.
- *2 minutes*: Let a student from each group present.

Problem 4:

- *5 minutes*: Have different groups do each part.
- *5 minutes*: Let a student from each group present.

Problem 5:

- *5 minutes:* Have different groups do each part.
- *5 minutes:* Let a student from each group present.
